

GRACE Volunteer Workshop Instructors

So, you'd like to schedule a workshop or event at GRACE?

Thanks for your interest in hosting a workshop, class, or activity at GRACE! Your involvement can help to remove the stigma of homelessness, build trust and confidence, and ultimately provide the support needed to house the homeless in our community. Our Education & Training Building is available to volunteers who would like to share a skill or teach a workshop to our guests and residents.

Education & Training Building Use

The Education & Training Building, funded by a private donor through the Community Foundation, is available to anyone who would like to host a workshop or educational event open to our residents.

We recommend arriving at least 10 minutes in advance to gain entry to the building and set it up appropriately for your workshop. The building is not staffed. A walkie-talkie is available in the building in case Staff needs to be called during your workshop. We keep the building locked when it is not in use, so it will need to be unlocked upon entry and locked upon your group's exit. Any Staff member in a lime green shirt can unlock the building. In case no one is readily available, you will find the Staff office located in the Welcome Center (bright green building near the front of the campus).

As GRACE does not currently have a janitorial service in our budget, we ask that anyone who utilizes the building clean it after each use. Please also make sure the door is locked upon exit by pressing the knob on the inside of the door handle. Thank you for your help!

Scheduling Process

We ask that all classes be scheduled at least one week in advance. The building's availability will depend on the current schedule of volunteers and service providers using the building, so it is important to obtain confirmation for each month's workshop/class schedule.

Ready to Schedule?

If you have any questions or are ready to schedule, please contact our Director of Community Engagement by e-mail at volunteer@gracemarketplace.org.
